For Immediate Release:

20,000 FIRST WEEKEND VISITORS

Oklahoma City, OK – WOW, is this a GREAT city or what? With spring-like temperatures this past weekend, Oklahoma City was buzzing with activity. In addition to the tremendous array of activities going on throughout the city, Oklahoma City's own State Fair Park was virtually a small city with visitors from coast to coast.

The anchor activity at State Fair Park this weekend was the Redlands Rendezvous in the Bennett Event Center. In its second year, this volleyball tournament featured almost 250 teams from as far away as California and New Jersey, playing on the 32 courts that were set-up in the BEC. This large number of out-of-town visitors to Oklahoma City created quite a boom to local hotels and restaurants.

While volleyball was going on in the Bennett, the Jim Norick Arena played host to the two-day 2019 United States Junior Open Wrestling Championship. There were 2,355 entries competing on 16 mats set-up on the Arena floor. The competition featured both boys and girls in the open divisions, along with novice brackets.

Also taking place this past weekend at State Fair Park were the Oklahoma Bridal Show in The Pavilion and the Midwest Arms Collector Gun & Knife Show in the Centennial Building. In all, these four events accounted for approximately 20,000 spectators and participants at State Fair Park over the past weekend.
