Oktoberfest is the annual festival in Munich, Germany, held over a two-week period, ending the first Sunday in October. Choctaw's Old Germany restaurant, owned and operated by Mike Turek and family, began the tradition of hosting Oktoberfest in 1991. Over the 27 years of its existence, the event grew to host upwards of 40,000 attendees. The OKC Fairgrounds, in collaboration with Mike and Sammie Turek, are going to bring that very taste of the authentic German festival to Oklahoma City this Fall. This event will celebrate all the highlights of German culture including beer, wine, food, dancing, shopping, and more.

Vendor spaces as well as corporate sponsorships are both available. Visit the OKC Fairgrounds website for more information.

Special event announcements and general updates for OKtoberfest will be released as information becomes available. To stay up-to-date on all the fun, visit okcfairgrounds.com, find us on [Facebook](#), and follow us on [Instagram](#).
